

MATERIAL SAFETY DATA SHEET

ON GUARD DYNA DUST

Section 1-Chemical Product & Company Identification

Trade Name: ON GUARD DYNA DUST (FOSSIL SHELL FLOUR)
Product Description: Diatomaceous Earth
Manufacturer's Name: Natural Ginesis www.naturalginesis.com
Address: P.O. Box 682645, Franklin, TN 37068
Phone: 615.790.6122 (Fax: 615.599.5370)

Section 2-Composition/Information of Ingredients

On Guard Dyna Dust is composed of Amorphous Silica - Natural Diatomite composition NOT CONSIDERED HAZARDOUS under the OSHA Hazard Communication Standard CFR Title 29 1910.1200.

Section 3-Physical and Chemical Properties

Vapor Pressure: N/A
Vapor Density (air = 1): N/A
Specific Gravity: C
Solubility in water: Slightly
Volatile Organic: None
Content: Silicates
Appearance: A soft earthy powder
PH: N/A
Evaporation Rate: N/A
Weight %: 95.00%-100.0%
Odor: None

Section 4-Fire Fighting Measures

Flammable Properties: Non-Flammable
Flammable Limits: None
Hazardous Combustion: None
Products:Extinguishing Method: None
Fire Fighting Instructions: None
Unusual Fire/Explosion Hazards: None

Section 5-Hazards Identification & First Aid Measures

HMIS Hazard Ratings

Health-0,1,2 **Fire-0**

Reactivity-0

Personal Protection-See Section 8

Routes of Entry:

Product may enter the body via eyes, skin contact and inhalation.

Potential Health Effects

Eye:

Eye Contact with product may cause irritation. Avoid eye contact.

Skin:

No Known Hazard.

Ingestion:

No Known Hazard.

First Aid Measures

Eye Contact:

For acute exposure, flush with water. If irritation or discomfort persists, call a physician.

Skin Contact:

Of no general concern. Simply wash with soap and water.

Ingestion:

No Know Hazard.

Inhalation:

Remove to fresh air. If breathing is difficult, administer oxygen and call a physician.

Section 6-Stability and Reactivity

Inert Incompatibility: None
Hazardous Decomposition Products: None
Conditions to Avoid: None
Hazardous Polymerization: None

Section 7-Accidental Release Measures

Spill or Release: Vacuum Clean or Wet Sweep Spillage.
Waste Disposal Method: Waste should be disposed of in closed containers to prevent dust.

Section 8-Exposure Controls, Personal Protection

Gloves:	Not Required.
Eyes:	Safety Glasses.
Lungs:	A Face Mask is suggested for prolonged exposure.

Section 9-Handling and Storage

Storage:	Store this product in a cool, dry, well ventilated area away form direct sunlight.
General Precautions:	As with all powders, limit the creation and inhalation of dust. Wet floor may become extremely slippery when diatomite is present.

Section 10-Other Information

Disclaimer: The information contained herein is based upon data available to us and reflects our best professional judgment. However, no warranty is expressed or implied regarding the accuracy of such information or the results obtained from the use thereof. We assume no legal responsibility whatsoever for any damage resulting for reliance upon this information since it is being furnished upon the condition that the person receiving it shall make his or her own determination of the suitability of the material described herein for a particular application of storage situation.

Natural Ginesis urges each customer or recipient of this MSDS to study it carefully to become aware of and understand the hazards associated with the product. The reader should consider consulting reference works or individuals that are experts in ventilation, toxicology and fire prevention, as necessary or appropriate to use and understand the data contained in this MSDS.

To promote safe handling, each customer or recipient should: (1) notify its employees, agents, contractors and others whom it knows or believes will use this material or the information in this MSDS and any other information regarding hazards or safety; (2) furnish this same information to each of its customers for the product, and (3) request its customers to notify their employees, customers and other users of this product information.
